City of Springfield Special Event Permit Application

All proposed events on private property that require a Special Event and/or Amplified Sound Permit must have an approved risk mitigation plan in place to reduce the threat of potential spread of the coronavirus.

The mitigation plans shall at minimum include, but not be limited to, the following guidelines:

Describe the measures that will be put into place to ensure CDC guidelines for cleaning and sanitizing any public spaces.	Exhibits and high touch areas will be cleaned and sanitized by staff and volunteers multiple times throughout the day. Hand sanitizing stations will be placed at the entrance to each exhibit trailer, the theatre dome, and at various points in the outdoor interactive areas.
